

G. O. P. SEEKING FIVE MILLION FOR CAMPAIGN

National Treasurer of Republican Party Gives Figures to Probers.

FUND SLOWLY INCREASES

Quarter of a Million Has Been Added to Treasury in Last Two Weeks.

By United Press Leased Wire
Chicago. — Republican campaign funds for national, state, senatorial and congressional campaigns will total \$4,875,000 if all the money is raised which is sought, Fred W. Upham, treasurer of the republican national committee, testified today before the senate sub-committee investigating campaign funds.

That sum and not \$15,000,000 as charged by Governor Cox, represents the absolute maximum of republican fund raising plans, Upham stated.

Upham resumed the stand to deny in detail the charges of Gov. Cox and E. H. Moore, Cox's personal representative here.

After stating "the outside total" of republican funds, Upham detailed items going to make it up as follows:

National committee budget \$3,079,000.

For state campaigns \$1,200,000.

For senatorial campaign \$2,000,000.

For congressional campaign \$400,000.

Gifts are Growing

Since August 26, Upham disclosed, \$250,000 has been added to republican contributions, making the total raised to date, since the national convention, he said, \$1,249,000, of which \$850,000 is for the national committee and the remainder for states.

"I've got to raise \$2,150,000 of the \$3,079,000 budget," said Upham.

Usually, he said, the eastern portion of the United States provides the bulk of party funds. This year, he stated, the west has given \$428,000 and the middle west and west \$811,000.

Upham asserted that the \$1,000 limit on contributions had been very closely adhered to.

"I wanted the \$1,000 lid taken off," said Upham, "but I was over-ruled. I favored raising the limit to \$10,000. Out of 18,000 contributions since June 12, there have been only 39 over \$1,000."

Upham also gave figures on collections and expenditures between December first, 1918, and the republican national convention in June.

In that period, he said, \$1,365,897.49 was contributed for the use of the national committee and \$469,456.21 for state purposes.

The national committee spent in the same period \$1,171,000, he testified, part of it to pay lectures, who he said, went about "spreading republican doctrines."

Senator Pomerene questioned Upham regarding the increases on state quotas, which state directors testified to.

"In Ohio and Michigan the quotas have been largely increased and as a result will cost me more money, won't you?" asked Pomerene.

"I don't believe they will get the increases," said Upham.

"I know I won't get them. I wouldn't take them. I won't take from any state more than its quota."

East Is Going Bad

Pomerene asked about the seven eastern states concerning which no facts have been submitted. They include:

New York, Pennsylvania, Maryland, Rhode Island, Connecticut, Delaware and the District of Columbia.

Upham said that section was "doing poorly." New York state, he said, has raised to date \$375,000.

G. O. P. Lectures

Pomerene asked Upham to furnish specific detailed figures concerning the use of Chauntia lectures to spread G. O. P. propaganda, with the names of the speakers.

"The audience who heard these speakers did not know who was paying for the lectures," asked Pomerene.

"I don't know," said Upham.

Upham demurred at furnishing figures on expenditures since the convention.

"It is quite fair politics," he asked, to have us furnish that information during the campaign?"

"That will give me enemy considerable information."

Pomerene said the other side can get the same facts about the democratic campaign.

E. H. Moore asked the committee's permission to say that he agreed that the request was unfair, Pomerene inquired, and the committee backed him up.

Upham said he would produce the information. Upham was followed on the stand by Moore who was questioned by Senator Kenyon regarding democratic plan to raise money. The witness said no plan has been worked out. Democratic activities are "just commencing," he said.

Moore had heard of efforts by an anti-prohibition organization to help the democratic ticket.

"Then the use of your name in the prospectus of the anti-prohibition society, as one of the patrons of the body, is unauthorized," asked Kenyon.

"It is," said Moore.

Moore denied knowing anything about funds raised by New Jersey liquor interests in behalf of Cox. The committee has twice subpoenaed Geo. K. Carroll, of Elizabeth, N. J., to tell of a letter he wrote asking for funds, but Carroll has not appeared.

"We are going to get Carroll before we are through," said Kenyon.

DECLINE IN PRICES PAID TO FARMERS

Review of Crop Conditions Shows Sharp Drop in Returns to Producers.

By United Press Leased Wire
Washington, D. C.—Prices paid producers of food are going down, according to the department of agriculture.

A review of crop conditions on September 1 made public today shows that the prices paid farmers and livestock men during August underwent an unmistakable decline. This, the review makes plain, can in no way be attributed to ordinary seasonal conditions.

Prices farmers receive for the principal crops decreased 10.6 per cent during August, the department announced. The normal seasonal decrease during August is only 1.2 per cent.

Included in what the department designates as principal crops are grain, fruits and vegetables.

Prices paid livestock and poultry raisers also decreased 2.3 per cent from July to August 15. During this period in the last ten years, livestock livestock prices have increased on an average of 1.2 per cent.

MILWAUKEE GIRL ASKS \$75,000 HEART SALVE

By United Press Leased Wire
St. Louis, Mo.—Miss Ermance Grueselle, of Milwaukee, Wis., has filed a petition in the circuit court here asking \$75,000 damages in a breach of promise suit against the national commission of Herman A. Steinwender, president of the Steinwender Wholesale Liquor company.

Miss Grueselle asserts in the petition that Steinwender kept company with her during the months of September and October, 1919, and that on October 11, 1919, he asked her to marry him, but later told her he had "been fooling her."

He told her, it is alleged, that his father was a man of great wealth and that he would be amply able to provide for her.

In conclusion Miss Grueselle charged that Steinwender's representations were made "cruelly, unmanly, depravely and with a sinister motive," and asks for damages because she suffered "mental anguish and had been deprived of the fruits of a desirable and profitable marriage."

THIRD PARTY LEADER IS GIVEN ANOTHER CHANCE

By United Press Leased Wire
St. Paul.—Parley P. Christensen, farmer-labor candidate for president, will speak at the Minnesota state fair tomorrow, it was made known today.

Christensen held up the afternoon program at the race track yesterday when he failed to appear for a scheduled speech.

He explained he was unable to reach the grounds in time and was granted a place on the program Saturday.

Rev. Aaron S. Watkins, presidential candidate of the Prohibition party, was due to speak at 1:15 p. m. today.

LABOR LEADERS GO TO JAIL FOR FLYING COURT

By United Press Leased Wire
Minneapolis.—Four labor leaders, charged with contempt of court because they commented scathingly on an injunction preventing them interfering with operation of the Wonderland theater, were in jail here today.

They refused to pay fines and intend to serve out a six months' alternative in jail.

Dan W. Stevens, president of the trades and labor assembly; Leslie Sinton, secretary; Lynn W. Thompson, labor organizer and R. D. Cramer, editor of Labor Review, are the quartet.

DON'T HAVE TO FLIRT TO "PICK UP" A GIRL NOW

By United Press Leased Wire
Chicago.—Flirting is a lost art. According to Alice Clements, veteran "Chicago police woman, the delights and thrills of a pleasant harmless flirtation are matters of the past.

Girls have run the "art" into the ground, she said today. Where young women formerly would put a "strong man's heart beating fast by a demure look or a lifting of the eyelid, the girls of today have no time for such acting.

Nowadays girls just let themselves be picked up, said Mrs. Clements.

"All a boy has to do is to tip his hat and get a girl."

Girls, Mrs. Clements said, are more familiar with men now than in the past.

"And I refer to respectable girls," she said.

POLICE MYSTIFIED BY DEATH OF THIRD WIFE

By United Press Leased Wire
St. Louis.—Police today attempted to solve the mysterious death of Mrs. Luella V. Waterhouse, 30, third wife of Dr. Eugene Waterhouse, 70.

Her body was found with a revolver hole in the left breast and a bullet nearby in her room at her home here.

Dr. Waterhouse was held by police.

TO FEED IRISH MAYOR AFTER MIND LAPSES

Doctors Believe Attempt to Feed MacSwiney Now Would Be Fatal.

DISORDERS ARE GROWING
News of Cork Mayor's Condition Starts New Rioting in Ireland.

By United Press Leased Wire
London.—Lord Mayor MacSwiney spent a bad night, practically without sleep, according to a bulletin issued at noon today.

The bulletin said he suffered great pain in his arms, legs and back and was dizzy, though still conscious.

London.—Prison physicians intend to feed Lord Mayor MacSwiney of Cork, on hunger strike, after he loses consciousness, it was learned today.

The doctor at Brixton prison believes MacSwiney's struggle against forcible feeding would so exhaust him he would die, so is waiting until he lapsed into unconsciousness.

Demonstrating his fighting spirit, despite physical weakness, MacSwiney interceded when the doctor accused the lady mayoress of helping him to die because she refused to urge him to eat.

MacSwiney attempted to remonstrate. The effort nearly caused him to collapse.

"I am unable to keep alive even a flicker of hope now," the lady mayoress said to the United Press.

"It is difficult to realize that the end is so near. From the day I married Terry, I have tried to prepare for such. I always lived in daily expectation of death, but thought it would be sudden death. This is harder."

"My visits to Terry keep me up. He is so calm and resigned, almost happy. It shames us, who weaker."

Rioting Resumed
Dublin.—Disorders in Ireland seemed on the increase today, as news came that Lord Mayor MacSwiney was steadily growing weaker at Brixton prison, London.

Eleven hunger strikers in jail at Cork sent a message to MacSwiney, saying:

"We will not dot until death."

Police, conducting reprisals in Cadway for the murder of their fellows by Sinn Feiners, killed three civilians and wounded several others.

The killing of Constable Krumm started the fighting in Cadway. Krumm was set upon by a gang of Sinn Feiners. He fought desperately, killing three of his assailants and wounding two.

In their retaliatory measures, police raided houses. One civilian was tied to a lamp post, then ridden with bullets.

Sinn Feiners ambushed a squad of police at Callow. Killing Constables Delaney and Gaughan.

FIRE CAUSES BIG LOSS TO FARMER

Granary, Machine Shed and Silo on Richard Long Farm Are Destroyed.

Fire, believed to have started in a machine shed, destroyed that shed, a granary with 300 bushels of grain, and a silo on the Richard Long farm about 3 1/2 miles west of the city late Thursday evening. A bucket brigade of several hundred farmers prevented the flames from consuming the remainder of the farm buildings. The loss will probably not exceed \$2,000.

The fire was discovered about 8:30 o'clock. It was said this morning that it originated near a gasoline tank in the machine shed. It rapidly communicated to the granary and the silo. The latter structure stood alongside the barn which was threatened but was saved by the volunteer fire fighters.

Practically all the machinery in the shed and the grain in the granary was lost. The buildings were totally destroyed. It was said that some insurance was carried.

AMERICAN MOVIE STAR DIES OF POISONING

By United Press Leased Wire
Paris.—Olivia Thomas, motion picture actress, died in the American hospital at Neuilly today of mercurial poisoning.

Miss Thomas, who in private life was Mrs. Jack Pickford, swallowed an overdose of medicine containing mercury on Sept. 5. Her physician, Dr. Joseph Choate, of Los Angeles, Calif., said she took enough to kill several men. She was taken to the American hospital but had no chance for recovery.

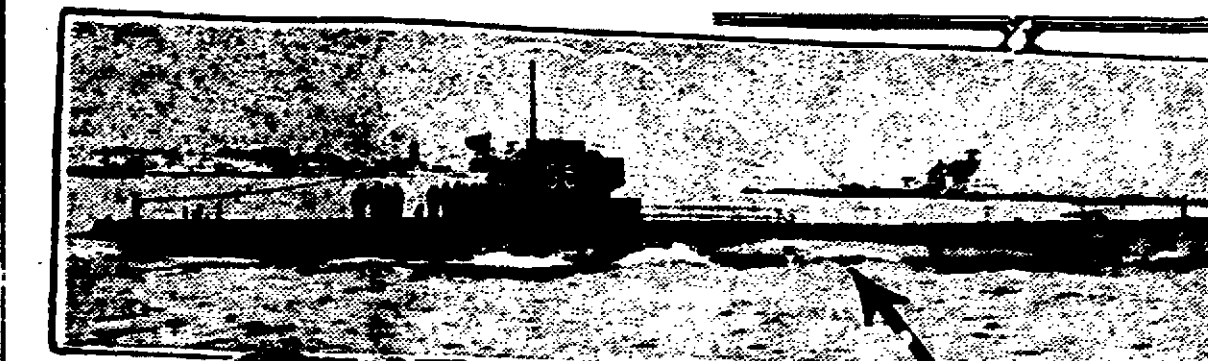

Her husband, who is the brother of Mary Pickford, was with her. They were in Europe with a number of other motion picture stars on a combined business and pleasure trip.

Before she went into the movies, Miss Thomas was prominent in the follies in New York and in musical comedy.

"ALL IN DAY'S WORK," SUB RESCUE HERO SAYS

New York.—"It's all in the day's work," says the hero of the S-5 rescue, Chief Engineer W. G. Grace, of the submarine General Goethals, which relieved the Albatross and cut through the side of the sub to give the trapped crew oxygen and finally release. Top picture shows the ill-fated submarine, inset is that of Chief Engineer Grace, and lower picture shows the steamer Albatross holding up the submarine while the General Goethals steamed to the scene.

COX DELIVERS 21 TALKS IN TWO DAYS

Nominee Is in Excellent Condition Despite Strenuous Program.

By United Press Leased Wire
Spokane.—Governor Cox's Special Train, Enroute to Spokane, Wash., Gov. Cox, after having delivered 21 speeches in Montana during the last two days, early today crossed into the state of Washington prepared to begin his swing down the Pacific coast.

Spokane and Walla Walla were two main stops on his itinerary although Washington democrats have chartered a special train and plan to call upon the governor for several rear platform talks.

Today begins the second week of the governor's nation-wide stump trip and his fighting spirit appears to be gaining momentum as he pushes further into the west.

His physical condition, despite the fact that he has made 57 speeches in one week, is still excellent.

With many Irish in his audience last night, Gov. Cox gave definite assurance that he will ask the league of nations to take up the Irish question if he is elected. Such action is provided for under article 11.

PAPER IS OFFERED AID BY RUSSIAN FRIENDS

By United Press Leased Wire
London.—The Daily Herald, a radical labor newspaper, frankly asked its readers today if it should accept an offer of \$375,000 from Russian sympathizers.

Without this support, it said, it will be compelled to double its price.

In many quarters the newspaper's revelation was regarded as extremely dangerous to the labor movement and likely to cause an open split between the extremists and moderate elements.

HARDWICK WINNER IN GEORGIA PRIMARIES

By United Press Leased Wire
Atlanta, Ga.—With official returns lacking from thirteen counties, former United States Senator Thomas W. Hardwick today was leading with 155 county unit votes in the race for democratic nomination for governor.

Clifford Walker, former attorney general, was second with 116 and John N. Holder, speaker of the house, third with twenty-two.

Competitions today showed Thomas W. Watson, ex-congressman, received 242 county unit votes for the United States senate, against 119 for Governor Forney, and 34 for Senator Hoke Smith.

ROOSEVELT'S UNCLE IS KILLED BY TRAIN

Poughkeepsie, New York.—Warren Delano, uncle of Franklin Roosevelt, was killed at the Barrytown station of the New York Central railroad when he was struck by a train upon the tracks in front of an express train, carrying him to death.

The buggy in which Delano was riding was smashed and his body was later taken from the wreckage. Delano's neck had been broken.

Delano had extensive mining interests in Pennsylvania and had offices in New York City.

ANOTHER TREMOR IS FELT IN ITALY

More Than 500 Are Dead After Tuesday's Quake in Northern Italy.

By United Press Leased Wire
Rome.—Recurrence of earthquake shocks in the Emilia district of northern Italy was reported today.

While the district affected apparently was not so large as that in which Tuesday's tremors were felt the shocks were described as much heavier.

No definite information had been received tonight as to loss of life or property damage in the new earthquake but both were believed to be heavy. The towns of Ferrara, Reggio, Tonano and Gaviola were understood to have suffered seriously.

Kuckuk Wins Nomination By 48 Votes

Returns From Last Shawano County Precinct Give Victory to Shawano Man.

On the basis of official returns from Shawano county and unofficial returns from Outagamie county, Antone Kuckuk, Shawano, has won the republican nomination for senator from the fourth district by the narrow margin of 48 votes. He was given a lead of 29 votes over Ballard in Shawano county and that was cut down by 41 votes, Ballard's lead in Outagamie county.

The total vote in Shawano county was as follows: Kuckuk, 1,648; Ballard, 1,559; Rohm, 1,626.

Official returns from Outagamie county probably will not be available until Monday, when the ballots are officially canvassed. The canvassing board started work about ten o'clock this morning.

Otto Rohm, Black Creek was leading in Shawano county until the last precinct—Maple Grove—near the Outagamie county line, made its report. Kuckuk's lead over Ballard was only 15 votes but Maple Grove boosted it to 89. Rohm was given only a few votes and ran second in the county, only 12 votes behind Kuckuk.

The total vote for the district follows: Kuckuk, 5,892; Ballard, 5,845; Rohm, 5,473.

GREAT SHORTAGE OF SCHOOL ROOMS

American Hopefuls Face Serious Conditions as New School Year Opens.

By United Press Leased Wire
Washington. — American public schools, opening for a new year, face conditions of the utmost seriousness, Philander P. Claxton, commission of education, said here today.

Among the conditions he enumerated are:

Lack of accommodations for three million of the army of children reentering city schools.

Shortage of 75,000 adequately trained elementary school teachers for both rural and city schools.

Shortage of 15,000 adequately prepared city and rural high school teachers.

Shortage of 75,000 school rooms, which at present building prices would cost \$9,000,000,000 to construct.

The fact that from one-third to two-fifths of American teachers lack adequate preparation.

It will take a minimum of three or four years to replace the school room shortage according to bureau of education officials. This is due to halting of building during the war, present cost of building and difficulty of floating school bond issues.

Schools will handle the room shortage by crowding and relaying pupils, according to Claxton, but at a cost in efficiency in instruction "impossible."

BABY'S KICK IS CAUSE OF SUIT FOR \$10,000

By United Press Leased Wire
Jefferson City, Mo.—Mrs. Margaret Burlington was on her way back to Wisconsin today because officials refused her entrance to the prison here.

Attorney General McAllister ruled that under the terms of the agreement between the government and Mrs. Burlington could not stay her six months old baby, to prison with her. The federal commitment was that Mrs. Burlington was to have custody of the child for six months and the father six months.

The Missouri law does not permit the incarceration of children in the state prison. Attorney General Brundage rule.

Mrs. Burlington was convicted of using the mails to defraud. She was sentenced to three years in a federal prison.

20,000,000 POUNDS OF WOOL HELD IN STORAGE

By United Press Leased Wire
San Antonio, Texas.—Nearly 20,000,000 pounds of wool are stored in warehouses within 200 miles of here, and is being held for higher prices, according to sheep raisers here today.

They say no change in price may be expected until after the November elections.

It is estimated that there is nearly 10,000,000 pounds in storage at San Antonio.

According to L. R. Murray, former president of the Texas Sheep and Goat Raisers' association, the wool is being held because growers can't get bids.

Good crops, fair prices for cattle and financial aid from banks have held wool growers out this year, he said.

AMERICAN CRUISER IS AGROUND ON RUSS COAST

By United Press Leased Wire
Washington.—The navy department today expected a more detailed report on the cruiser Pittsburg which had gone aground three miles west of Lithuania on the Russian coast.

Soon after receiving the report naval officials directed the U. S. S. Fredrick to transfer its passengers at Antwerp and go to the assistance of the Pittsburg.

Admiral Huse, commanding the Pittsburg, was recently sent to Danzig to protect Americans there but later was ordered to return to Reval.

New York.—Nine Brooklyn Rapid Transit strikers were indicted on a charge of murder today. Eight are already in custody. They are accused of responsibility for the death of P. Reiderman, 37, killed by a stone thrown at a elevated train.

NOMINATION OF BLAINE IS ASSURED

Few Missing Precincts Cannot Possibly Give Victory to Wilcox.

CALL PLATFORM MEETING

Possibility That Wilcox May Run as Independent Is Felt by Leaders.

By United Press Leased Wire
Milwaukee.—With a complete unofficial returns in from all but 250 of the state's 2,375 precincts, the vote today showed the following were nominated on the republican ticket in Tuesday's primary election:

For United States senator—Irvine L. Lenroot, incumbent.

For governor—John J. Blaine, La Follette candidate.

For lieutenant governor—George Coningsby, endorsed by the Non-Partisan league.

For secretary of state—Elmer S. Hall, endorsed by the Non-Partisan league.

For attorney general—William J. Morgan.

For state treasurer—Henry Johnson, incumbent.

A record vote was cast in Tuesday's primary for all parties. Indications point to a 375,000 vote in the G. O. P. primary.

The socialist party polled an exceptionally heavy vote, partly due to the woman vote, and showed a big increase over the last primary.

The democratic vote was comparatively light. Neither of these parties showed their full strength, as there were no contests for office. There were a few contests for places on the prohibition ticket but these returns had not been compiled here.

REPUBLICANS GO INTO McCOY CAMP

Blaine Victory Drives Many Wilcox Men Out of State G. O. P. Ranks.

Many of Appleton's staunch republicans are not very happy that John J. Blaine, attorney general, captured the nomination for governor on the republican ticket. The announcement Wednesday afternoon that he was leading Senator Roy P. Wilcox by a majority of over 6,000 votes caused a pall of gloom to settle over them.

It was interesting to note how quickly the gloom disappeared, however, when the fighting spirit of the republicans came to the front. Many immediately decided they will do everything possible to elect the democratic candidate, Gov. McCoy of Sparta. They openly declare that they will not vote for Blaine, whom they do not regard as a real republican. There appears to be a unanimous

feeling that Blaine shall not enter the executive chair of the Badger state.

Most of the blame for allowing Blaine, the Non-Partisan League candidate and La Follette nominee, to win the nomination is placed on Gov. E. L. Philipp. They feel that he placed Col. Gilbert B. Sweeney of Milwaukee in the field merely to spite Senator Wilcox, whom he dislikes. They believe that the governor has ended his political career through his attempt to discredit the party.

"I am 100 per cent for McCoy," said J. P. Frank. "Blaine has no right whatever to the republican nomination. He is sailing under false colors when he seeks a nomination in the republican party."

"The republicans ought not to support Blaine, who was the candidate of the Non-Partisan League and not of the republican party," said Dr. D. J. O'Connor. "I understand that McCoy is a good clean man and an able executive. I think he would make a good governor and ought to be supported."

"I am very sorry to hear that Senator Wilcox was defeated for the republican nomination," said E. J. Harwood. "He was working for the best interests of the state and would have made a good governor. This is merely the spite work of Gov. Philipp and the state has to suffer for it. I wish Wilcox would run independently, but I suppose he will refuse. No doubt we shall have to vote democratic."

"I am not prepared to give my views of the situation until I have studied the primary results," said Judson G. Rosebush. "It is too bad Wilcox lost out. No doubt we can find a way out of the situation."

SHIFT FUND PROBE TO EASTERN CITY

Heads of Republican Eastern Committees Will Be Asked to Testify.

(By L. C. Martin.)

By United Press Licensed Wire.

Chicago—Plans of the senate committee investigating campaign funds here call for winding up the present session of hearings tonight and reopening the inquiry in some eastern city within ten days.

Preparation of witness lists for the eastern inquiry began today. Among those to be called are William Boyce Thompson, from eastern headquarters of the republican national committee, William Barnes, New York politician who is to be asked about his object for spreading "militant republican propaganda" to which the Rockefeller and other big financiers contributed, and officials of the League to Enforce Peace, who will be quizzed regarding the use of money in league of nations propaganda in connection with the 1920 presidential campaign.

The concluding sessions here today were devoted to finishing the line of inquiry which followed the submission of leads by E. H. Moore, Governor Cox's personal representative.

A number of state finance directors and paid workers were expected to testify. Moore himself may go on the stand again. He said he was prepared to furnish still more evidence in support of Governor Cox's "slush fund" charges.

At a session last night the committee examined a number of republican state directors. All agreed the limit of \$1,000 on campaign contributions was in the main adhered to and testified to the same general plan of campaign which Harry M. Blair told the committee was followed.

J. D. Bryson, Brazil, Ind., chairman of the Indiana state ways and means committee, said the plan in that state was to raise \$100,000 for the republican national committee and \$200,000 more for state work.

Less than \$30,000 was raised, Bryson said. The largest contribution was \$2,000. County quotas, he said, were based on a total of about \$450,000 as a means of stimulating the workers but with no expectation of getting it.

Charles Boeschstein, Illinois member of the democratic national committee, said there is no democratic fund raising organization in the state but that he is trying to collect some funds.

Boeschstein denied that he knowingly solicited contributions from postmasters. He admitted sending Joseph H. Coffman, postmaster at Augusta, Ill., a circular requesting a contribution but said that he did not know Coffman was postmaster.

One of the letters sent to Coffman bore a special delivery stamp and the instructions "deliver at home address only."

"This was done," Boeschstein said, "to call particular attention of the prospects to the appeal for funds."

"You only put these instructions in letters addressed to federal officials," asked Senator Kenyon.

"No," said Boeschstein.

"It's put on because the delivery of that letter in a federal building is a violation of the law," said Kenyon.

No attempt is being made to solicit federal officials from Illinois.

"Y" Gym Opens Soon

Preparations are almost completed for re-opening the Y. M. C. A. gymnasium, which is undergoing thorough cleaning and repainting. The gymnasium will be ready for the boys on Saturday, Sept. 19, and for the men on Monday, Sept. 20. The program will be made public later.

MENASHA BRIDGE OPENED FOR USE

Appleton City Officials Attend Dedication Ceremonies Thursday Night.

The dedication of the new bridge at Menasha Thursday evening was attended by several thousand people, many of whom were from neighboring cities. The program opened with a parade which formed on the main square, headed by the Ninth regiment band of Appleton. Included in procession were city officers of Menasha, Neenah and Appleton, Neenah military company, ex-mayors and citizens generally of Menasha.

After covering the principal streets the procession stopped at the new bridge where the exercises were held, a platform having been erected in the middle of the bridge. Speeches were made by the mayors of Menasha, Neenah and Appleton and also by the ex-mayors of Menasha of whom there were half a dozen present. Musical selections were rendered by the Ninth regiment band and by a quartet from Oshkosh.

At the conclusion of the program the new structure was cleared for dancing which continued until midnight. Among the city officers and employees present from Appleton were Mayor J. A. Hayes, George P. McGilgan, chief of the fire department, George T. Prim, chief of the police department, City Clerk E. L. Williams, City Treasurer F. E. Backman, O. F. Weisgerber, city engineer, and Aldermen H. R. Beske, Charles Pose, F. H. Fiedler, R. F. McGilgan, C. F. Smith, and Joseph Mayer.

APPLETON PLAYS KIMBERLY SUNDAY

Local Club Will Journey to Neighbor City for Last Game on Kimberly Diamond.

A baseball battle worth going miles to see will be dished up to the fans Sunday when Kimberly and Appleton clash in the Kimberly park. Appleton now has the best club in the league and is ready to give the millmen a taste of the same medicine handed to Oshkosh here Labor day.

Hank Schultz will officiate on the hill for the Brandts, with O'Connor on the receiving end. The entire lineup will be the same as that used against the league leaders. Kimberly is going good and is expected to give the locals a real battle. Appleton has still to win its first game on the Kimberly diamond.

Oshkosh clashes with Menasha in the Menasha park Sunday afternoon while New London and Kaukauna cross bats at New London. This last contest is expected to feature the day's game, inasmuch as both clubs are quite evenly matched. Oshkosh is picked to win from the Poles.

One hundred million dollars' worth of salvage has already been taken from the European battlefields.

HANSON IS TO SPEAK HERE SUNDAY AFTERNOON

Ole Hanson, who had been scheduled to deliver an address here Labor Day evening, but changed his plans because of numerous counter-attractions, is to speak in the city park here at three o'clock Sunday afternoon. His lecture will be preceded by a band concert. It was announced Friday morning by Jack O'Brien of the Constitutional Defense League, under whose auspices Mr. Hanson is touring the state.

The former mayor of Seattle has spoken in many cities near here and paid one visit to Appleton. He is an exceptionally brilliant speaker and is bringing capital and labor in order to bring about an alleviation of unrest.

The funeral will be held Saturday with burial at Ottawa cemetery.

IDEATHIS

MRS. C. J. WILLIAMS

Mrs. C. J. Williams, mother of the Rev. T. D. Williams, 705 Lawrence street, district superintendent of the Appleton district of the Methodist Episcopal church, died at the home of her daughter, Mrs. W. A. Hooper, at Palmyra, Wednesday evening, after a long illness.

The decedent is survived by ten children, 29 grandchildren and five great grandchildren.

The funeral will be held Saturday with burial at Ottawa cemetery.

Free Instructions in Making Silk Lamp Shades

A school will be conducted for a limited time on the third floor at Pettibone's to give free instructions in the art of designing and making silk lamp shades.

Miss Jane Powell, who has studied shade-making in the cities, has consented to instruct all those who would like to make shades, either for their own use or for the approaching holiday season.

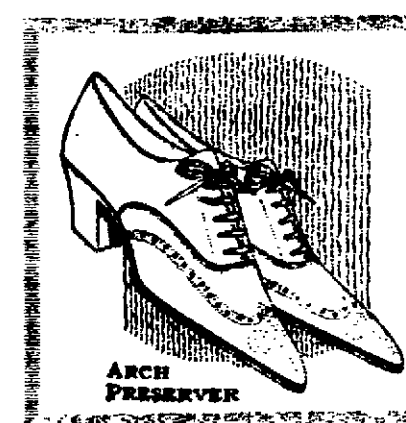

Shades for floor lamps, table lamps, boudoir lamps and candles can easily be made with a moderate amount of skill. The work may be done in our own spacious and well lighted workrooms provided on the third floor, or the work may be finished at home.

Materials in abundance have been provided to make any kind of lamp shade in any color combination desired. Many customers have their own materials which make up beautifully if they are shown how to put them together.

Customers making their own shades can save from \$10.00 to \$30.00 on each shade depending upon the elaborateness of the shade being made.

NEWS OF INTEREST FROM COUNTY AND STATE

LARGEST CITY IN WAUPACA COUNTY

New London Claims That Distinction on Face of Census Bureau Report.

New London—The style show given at the Cristy store Tuesday afternoon was a success. The living models were Misses Helen Norris and Lorena Oestreich and Mesdames Jake Denget and J. Hickey, Jr.

Few boys of twelve years and younger can boast of riding fifty miles in one stretch on a bicycle. However a bicycle party consisting of Earl Zerrner, aged nine, Forest Zerrner, aged eleven and Harvey Ziemer can boast of this achievement. They started out Tuesday afternoon and made the trip to Appleton and Waverly Beach and back home.

New London has gained 38 per cent in population during the past ten years, according to official census figures, and is the largest city in Waupaca county. In ten years it has grown from 2,352 to 4,667, an increase of 1,284. In this time the entire county has gained only 1,418 people. The growth of New London has been due to its excellent location, good factories, good housing conditions, good roads, good stores, railroad facilities, broad minded business men and the good living conditions in general. With the enlargement of the factories and employment of more men, the city will easily reach the 5,000 mark in a short time. New London's nearest compe-

titor is Clintonville, which had increased from 1,747 to 3,275 in ten years and the city of Waupaca third with an increase of 50 in ten years. The entire county had in 1910 a population of 32,782. This year's report shows 34,290 or an increase of 1,418 people.

At the meeting of the New London Light and Water commission, several important things were discussed. One of the greatest interest to the majority of citizens was the erecting of an ornamental lighting system. After much discussion it was decided best to wait until another year, as the city has made several new ventures which must be taken care of first. A petition was presented which must be taken care of first. A petition was presented asking the extension of the city electrical line from the green house on the Hortonville road, south for 1500 feet. Nothing definitely was decided.

Several young lads from this city confessed to petty larceny in Judge Miller's court Wednesday, but their parents paid up to save the youngsters from punishment. The loot consisted of a gallon jug of home-made wine which they had stolen from the Kroll home near the junction hotel. Chief Lueck had no trouble in locating the lads, and upon confession and payment of damages, the case was dismissed.

Mr. McLaughlin, resident manager of the Wisconsin Cabinet and Panel company will soon move into the Ritchie residence on West Beacon avenue, recently purchased from Herbert S. AUTO JUMPS RAILING AND INFANT IS DROWNED

Stevens Point, Wis.—A 19 months old infant lost its life by drowning here, when a touring car with eight passengers plunged through the railing over Rock run bridge, and into eight feet of water. Nick Zelowski, driver of the car, lays the blame to a defective steering wheel. The emergency brake failed to stop the car. The seven people who had a narrow escape were either thrown from the machine as it turned over in the air or managed to extricate themselves from it under the water.

GREENVILLE YOUNG PEOPLE WED IN APPLETON CHURCH

(Special to Post-Crescent)

Greenville—Mrs. A. Cross is spending a few weeks with relatives in Marshall, Minnesota and Ponda, Iowa. Merle Culbertson was an Appleton caller Saturday.

Farmers are utilizing their spare time for repairing the roads. The Sommers road has been completed and a large amount of gravel is being hauled in this district, which it is expected will greatly improve the roads.

Among those from here who attended the state fair at Milwaukee last week were Mr. and Mrs. Charles Strey and Henry and Arthur Schmitt. John Klues was an Appleton visitor Saturday.

Mrs. Erwin Schroeder is spending this week with relatives in Bonduel and Suring.

John Much was an Appleton caller Saturday evening.

Several silos have been built here recently and a number are now going up. Among those who are building at present are Robert Fritz, Frank Reimer and Frank Giesel.

The market is open now for early cabbage and those who have a crop are hauling it.

The Common Sense Local of the Equity society held its meeting at Pegel's hall Friday evening.

The marriage of Mabel Drager of Appleton and William Manieufel took place at the St. Paul Lutheran church at Appleton, Wednesday afternoon at three o'clock. A reception was held at the groom's home in Greenville, where the young couple will reside.

The Misses Laura and Esther Schroeder returned home Monday after spending several days in Milwaukee.

There are 1500 students attending school in the city of New London. The five institutions attended by these young people are Public schools, County Normal, The School of the Most Precious Blood, The Emanuel Lutheran and the high school. Besides these there are also the Vocational school and the Deaf school. Each school has splendid equipment. The Most Precious Blood school has nine instructors and over 350 students enrolled. Sister Anna has charge of the school which has been in existence about 45 years. This year an extensive commercial school was added with splendid equipment and is open to every member of the community. The County Normal has in its eighteen years of service turned out about 400 graduates, and this year has the largest enrollment in its history. The Lutheran school is headed by Prof. Carl Zeise and has about 150 students. The school has been in existence for 27 years and was opened during the pastorate of Rev. A. Spiering. The New London public schools have been in session 38 years. Principal D. Newberry and a corps of 55 teachers have charge of the work. The High school has an enrollment of over 200 and the grades number between 500 and 600. The Vocational school, in charge of J. T. Walters, is a new feature in this city's educational system and has about 60 enrolled. This school is open Saturdays as well as on other days of the week and promises to be of real help, particularly to young people whose parents are not financially able to have their children attend the regular day school.

Build Your Silo Now!

Before Your Corn Ripens

RIGHT NOW—before corn cutting time is one day nearer, build a silo. It will give you feed with all the milk-producing, beef-building qualities of June pastures the year around. More milk, quicker feeding, better manure—actual dollars in your pocket. It will pay for itself in one year.

Build a Tecktonius Wood Stave Silo. It makes silage right, and keeps it right. No waiting for deliveries. We have Tecktonius Silos here, now—and with the foundation in, you can

Build the Tecktonius in 1 or 2 Days

The vital silage making processes are absolutely dependent upon the heat generated in the silo not being allowed to escape, and the outside air not being allowed to enter. The silo must be air-tight. This is where wood proves its superiority for silos. Of all building materials, it is the very best non-conductor of heat. Held air-tight, the wood silo keeps the heat in and cold out. Here is where the Tecktonius excels all others—its patented fixtures hold the staves rigidly locked together, keeping the silo absolutely air-tight the year around.

TECKTONIUS SILO

Makes Silage Right Keeps it Right

Can't Twist, Creep, Lean or Blow Over

Tried and proven—it has been the leader in wood silos for years. Built of perfectly matched staves, the Tecktonius is kept air-tight 12 months in the year—and the staves can't buckle or warp out of shape. Its patented Self-Adjusting Spring Hoop Fasteners take up all shrinkage of the staves. The Tecktonius can't creep, twist, lean or blow over, for it is securely bolted, and anchored, inside and out, in a rock-like concrete foundation, and tied down with staunch, steel cables.

Immediate Delivery

No waiting—we have Tecktonius Silos here ready for you—and 2 days after you take one home, you can have it up and completed. Come in, and see how easily and quickly you can build this silo, and how much better it is than any other silo you have ever seen. See what you get before buying.

A very pretty wedding occurred at eight o'clock Thursday evening in the Memorial Presbyterian church when Miss Jane Evelyn Thomas, daughter of Mr. and Mrs. G. D. Thomas, Harris street, became the bride of Harvey Bonnell Little, son of Mr. and Mrs. C. S. Little, Park avenue. The ceremony was performed by the Rev. Leo Reid Burrows, pastor of the church.

The bride, who entered the church with her father, preceded by her sister, Miss Marjorie Thomas, as maid of honor, was gowned in pink tulle. She wore a long tulle veil and carried a bouquet of Ophelia roses and Japanese lilies. Her maid of honor was dressed in coral colored tulle and carried a bouquet of Columbia roses.

Decorations in the church were Dr. J. M. Little, St. Paul, brother of the groom, was best man. Ushers were George Mory, Harold Thomas, Chester Hartnett and Arthur Mory.

especially attractive. The front of the edifice was banked with palms and autumn leaves, prettily lighted with candles and arches of ground pine and golden rod were built over the center aisle.

A reception was held at the bride's home on Harris street after the ceremony. Light refreshments were served in the dining room by the bride's sorority sisters. Hydrangeas, asters, roses and white clematis in profusion made up the house decorations in which a color scheme of white and pink was carried out.

Out of town guests were Dr. and Mrs. J. B. Little, St. Paul; Mr. and Mrs. M. M. Gillette, Milwaukee; Mr. and Mrs. R. H. Jones and son George of New York; Mr. and Mrs. J. F. Jones, Marion and Newton Jones of Antigo; Mrs. L. Goodrich, Ripon; Mr. and Mrs. H. A. EUGENIC MARRIAGES

will insure to this country a healthier and more intelligent "family of the future" and many a woman, obviously unfit for marriage, has had her health restored by the timely use of Lydia E. Pinkham's Vegetable Compound, the most successful remedy for female ills the world has ever known. Enormous quantities of roots and herbs are used annually in making this good old-fashioned remedy and no woman who suffers from female ills should lose hope until she has tried it.

Wed at Shawano
Peter Foley, son of Mr. and Mrs. J. P. Foley of Freedom was united in marriage to Miss Mayme Popelka of Shawano at 7:30 o'clock Monday morning at Sacred Heart church in Shawano. The ceremony was performed by the Rev. Father Krull of that city.

The bride was attired in a gown of blue serge, prettily embroidered, and wore a corsage bouquet of sweet peas.

Miss Popelka was attended by Miss Zaechnner, who wore a blue suit with hat to match and carried a bouquet of asters. Martin McCormick was best man.

A wedding dinner was served at the home of the bride's parents to about forty guests. The house was artistically decorated with cut flowers.

The young people will reside at Neenah where the groom is employed. They will be at home after Sept. 20. The guests who attended the wedding from out of town were: Mrs. J. P. Foley, Mr. and Mrs. John Green Jr., of Freedom; Mr. and Mrs. Thomas McCormick, Martin McCormick, Mr. and Mrs. L. G. Becker and son Louis and Walter Driese of Seymour.

Silver Wedding Anniversary
Mr. and Mrs. Karl Keller rounded out their 25th year of married life Thursday and observed the day with a fitting celebration. The festivities opened with a commemorative service at St. Joseph church at 7:30 o'clock in the morning. Solemn high mass was celebrated by the Rev. Francis Knoerschild of Milwaukee, a brother of Mrs. Keller. The Rev. Father Joseph acted as deacon and Rev. Father Ulrich as sub-deacon.

A five course dinner was served at the family residence, 416 State street, at noon to a large number of relatives and friends. The afternoon and evening were devoted to games and other social enjoyment.

The out-of-town guests included the Rev. Francis Knoerschild, Karl Keller, Jr., Miss Eleanor Keller, Mrs. Susan Knoerschild, Alois Knoerschild, Miss Florentine Knoerschild, Marjorie Schuetz, Mrs. Elizabeth Sayer, Mrs. Herman Herbert and Mrs. Joseph Dries, all of Milwaukee.

Christian Endeavor Meet

A union meeting of the Christian Endeavor Societies of Memorial Presbyterian and First Congregational churches will be held at 6:30 o'clock Sunday evening in the Congregational church to hear reports of the district convention at Oconto, September 3, 4, and 5.

The convention was attended by Mrs. Blanche Kubitz, Paul Wright, Miss Agness Van Ryzin and Rose Wilde.

Plan for Services
The regular cabinet meeting of the

Epworth league of the First Methodist Episcopal church was held at 7:30 o'clock Wednesday evening in the church parlors. Plans were made to hold Sunday evening devotional meetings beginning, Sept. 12. Miss Marguerite Newing will have charge of the service.

Kindergarten Club Party
Miss Pearl Kumpert won the prize in the "best dress" at the Fourth Ward Kindergarten Club party Wednesday afternoon. The party was held at 3:45 o'clock in the Fourth ward school building. Games provided entertainment for the members. Refreshments were served.

Kitchen Shower
Miss Alma Daelke of Black Creek was surprised Wednesday evening by a party of friends who gave her a kitchen shower in honor of her approaching marriage to Arthur Peters. The evening was spent in dancing and playing games, followed by a luncheon.

THE BOOK OF ANN

I'm Jealous When My Husband Gives Me a Right to Be.

"You trust Deborah Burns never to speak to any one about tonight's unfortunate scene with Augustus Best, but you imply that Katherine Miller will surely gossip," said my husband, with his eyes on the moon rather than upon my face. "Jane, why are you always so unjust to Katherine?"

"I am not unjust," I protested in my most decided tone. "Can't you see—"

I stopped suddenly. Of course Bob would see that Katherine Miller would tell her version, and that as soon as possible, for my "intrusion" in the affair of her tangled tresses. Merely by chance I had come upon her and my husband in the moonlight—Bob standing close to her with an arm caught in the wind blown web of her hair. Merely by accident I had heard my husband refer to the strands of "bling gold."

"I might have a wife to break up such a romantic situation," I asked myself bitterly. And the thought put me in quite the wrong mood to hear my husband's next remark: "Jane, you're jealous! And it's unworthy of you! And of me!"

"I am jealous," I admitted calmly. "You used to like me to be jealous. You know you did, when we were first in love, and I am still—and if you know it—why can't you respect my feelings a little bit? And not do things to make me more jealous?"

"Be as unreasonable as you like," he said. "Think what you please," said my husband obstinately. "Watch me—if you want to."

"Watch you?" I repeated slowly. For I did not grasp the possible meaning of his words immediately. "Watch you?" I said. You mean—you think—I was following you—was spying upon you and Miss Miller tonight? Absurd! Have you forgotten the kind of a woman I am?"

"Now you're getting hysterical Jane! But if you want to hurt yourself with that silly notion—stick to it—by all means!"

"Why shouldn't I be hurt when I

recall what I heard? 'Loving gold? Why should you value the gold of that girl's hair too much to break a few strands of it?'"

I was having all I could do to keep from crying, but I knew that if I shed a single tear, or showed up my features to register worry, my husband would seize the opportunity to leave me.

Bob did. In fact, rise and pass the terrace. As I watched him, I knew perfectly well that he is one of the finest of men, nevertheless, when it comes to a discussion of his interest in another woman, he simply refuses to talk to me.

He expects me to put aside all my observations of his sex, and to account him different from the average—and better! I am to assume, always, that my husband never sees any woman but me!

"If you run away—and refuse to discuss this, you'll simply give me more time to think hard things. Better stay," I advised. "And tell me if you actually believe that I am capable of following you—when you walk in the moonlight with the loveliest and the most fascinating and the most unprincipled girl you know?"

In a characteristic way, Bob turned the subject: "I'm going back to the green," he announced abruptly.

"I see," I said. To dance with Katherine. Well, tell her as I advised before not to mention the fact that Augustus Best tried to steal those rings—nor how Jim met his wife's father for the first time."

"Katherine isn't as bad as all that," Bob spoke conclusively. "Come—will you go back to the dance with me?" Before I could reply, the sound of a woman's steps on the gravelled walk made us turn.

Mrs. Best was hurrying toward us. "Bob!" she exclaimed, putting her trembling hands on his shoulders. "Bob! Tell me—it isn't true?"

"You see! I was right! Katherine did tell!" I said to Bob with quite a triumphant "I-told-you-so" note in my voice.

RED CROSS TO HAVE SPEAKER AT FAIR

Patrons of Hortonville Fair Will Be Told How to Care for Children.

Proper care of children will be explained to patrons of the fair at Hortonville next week by Mrs. L. M. Featherstone, representing the Elizabeth McCormick Memorial association of Chicago, which was organized for better health and better home conditions for children.

Mrs. Featherstone will speak under auspices of the Outagamie county chapter of Red Cross which will conduct a tent at the fair.

It is probable Mrs. Featherstone will deliver her address on Thursday, September 16, second day of the fair, but has not been definitely decided.

All preparations have been made for the health tent which will be open every day of the fair. A large

This has nothing to do with a kitchen but does mean a saving of several dollars.

Use a chamomile skin, the same one perhaps that you use for washing windows, to wash your automobile.

Dip the chamomile in water and do not wring. Wash a small section of the car. Dip the chamomile again in water, wring as dry as possible and rub, always in the same direction, the spot that you washed. The process seems to polish as well as clean.

This method does not apply to a car that is muddy. But when your car is dusty and you don't want it that way nor want to pay for a wash you can do it yourself as easily as you wash windows.

BREAKFAST—Stewed prunes, creamed potatoes, broiled bacon, whole wheat bread toast, coffee.

LUNCHEON—Dropped fish balls colored and radishes, bread and butter, jelly cake, tea.

DINNER—Clear soup, macaroni and cheese, tomato salad, toasted crackers, apple pudding, coffee.

When potatoes are served for breakfast, the cereal should be omitted. The bacon furnishes the fat lacking in the potatoes. The food value of both the potatoes and bacon is about equal to that of a cereal.

amount of literature is available for distribution. The principal purpose of the exhibit in the tent will be to show the necessity of being prepared for fire, cyclone, flood or other calamity.

Another decidedly important part of this feature of the display is the part that the American Red Cross took in alleviating distress in the stricken communities. Emergency relief to the 50,000 homeless and the 1,500 injured was administered. To bring back to health the ill or injured and to reestablish the homeless in their normal family life is the aim of the Red Cross and the record of the great accomplishments of the past is conclusive proof that its work was well done.

PAPER MILL WORKERS WILL MEET TONIGHT

The mass meeting of pulp, stiphite and paper mill workers which was to have been held at Lamer's hall at Little Chute Thursday evening was postponed until Friday evening on account

of the closing night of the bazaar at St. John church. The speakers will be the Rev. F. X. Van Nistroy, of Kimberly, George Schneider of Appleton and A. R. McDonald of Kaukauna.

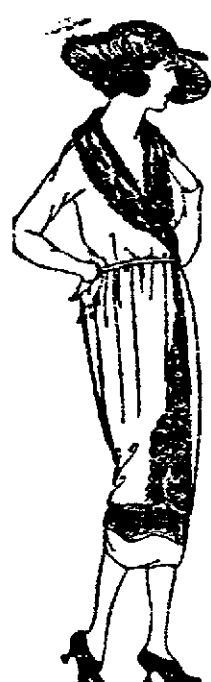

County Workers Insured
Outagamie county insured all its employees some time ago under the compensation act and the heirs of J. C. Nelson are the first to be benefited thereby. The county will save about \$4,000 by its timely action according to Fred V. Heilmann, district attorney.

BETTER COURSES AS CITY SCHOOLS OPEN FALL TERM

Every Ward School Is Strengthening Its Program and Enlarging Work.

ABOUT 2,300 ENROLLED

All the Ward Schools But One Are Well Started in Year's Program.

Approximately 2,300 children have taken up their pencils and tablets, which had been idle and forgotten for three months, and are heading the school bell this week. All of the ward schools with the exception of the First, which is undergoing extensive repairs, opened their doors Tuesday for the fall term.

An extensive and comprehensive health program has been arranged by Principal Benjamin Rohan of the second district. About two years ago, the play ground apparatus was set up and is used systematically by pupils both at the recess period and after school periods. Each child in the schools has an equal number of periods at every type of cut door and indoor play under the direction of a supervisor.

Athletic organizations have been arranged. The aim is to develop the

physiques of all the students rather than to train teams. Soccer, basketball and baseball is played. Groups will be taught games so that contests may be carried out. Definite periods will be set aside for exercising in the school room.

The Red Cross Campaign for health has been adopted in the second district. There is a temperature chart in each room for recording the temperature each hour. In this way the principal and the janitor can regulate the temperature of each room, thus safeguarding the health of the children.

Scales have been purchased so an accurate weight chart may be kept. These charts show tabulation of normal weights according to age and height, so that the teacher may compare a child's weight with what it should be, and work toward the proper correction. The school nurse will note this chart carefully in connection with her physical examinations. She will probably be able to analyze the situation sufficiently to discover the cause for underweight and suggest the proper treatment.

Each student has an individual health card. These are tabulations of definite health chores, such as washing the hands before each meal, drinking water before each meal, etc. For every thing that the pupil has done, he gets a daily mark. The highest possible number of marks for a month is 500, which would give him a standing of 50. This would be added to his monthly grade in physiology. These practical chores constitute one half of the child's grade for the month. Thus if the child was perfect in class work, but was untidy and didn't practice what he preached it would receive the grade of 50 for the month.

MAKE PLANS FOR FIRST CLUB MEET

Interesting Program of Reports Is to Be Presented Tuesday Evening.

The board of directors of the Appleton Woman's Club held its first regular meeting for the new club year on Tuesday afternoon, with all departments and standing committees represented.

In spite of the difficulty of carrying on organized activity during the summer months several departments and committees have worked all summer, and officers and members feel that everything is ready for a big year.

The club rooms on Appleton street which are to serve as headquarters were reported nearly ready for occupancy. Mrs. G. M. Schumaker will succeed Miss Grace Bennett as the chairman of the civic department, and Mrs. R. S. Powell will be the new chairman of the home economics department.

After the routine business was transacted plans for the new year's work were discussed and recommendations made to be submitted to the club at its first regular meeting next Tuesday evening. Important business, including reports, talks and special music, will come before this meeting. Miss Inez Turner will give a report of the district recreation meeting at De Pere on May 15, and Miss M. J. Peterson will report on the state federation to be held in Superior this month will be elected. The finance committee will make a special report. Miss Constance Johnson will speak of the work and plans of the recreation department, and Mrs. D. O. Kinsman, club president, will give a general survey and forecast of the coming year's work.

The milk lunches will be continued this year in connection with this health program.

There are 80 pupils enrolled in the eighth grade of the second district. All the grades have larger enrollments than last year. The fifth and sixth grade rooms are especially crowded.

The total enrollment is 800.

There are four new teachers in this district: Miss Myrtle Van Ryzin, in the fifth grade, Miss Dorothy Richards, in the fourth, Miss Irene Bidwell, in charge of the music, and Miss Beanie Mae Lovett, director of drawing and art.

There are a number of changes in the third district. Miss Rachel Jones resigned to return to Kenosha where she will teach in the junior high school. She is succeeded by Miss May Grady of Fall River who is a graduate of the state normal at Oshkosh. Miss Grady has had ten years' experience as teacher in all the grades from the primary to the high school.

Miss Laura Rodgers of Oshkosh, who has been a teacher in that city for five years, succeeds Miss Myrtle Raisler as teacher of departmental mathematics. Miss Raisler is doing office work in Cleveland, Ohio, where her family has moved. Miss Rodgers is very much interested in physical education for girls. She hopes to develop a strong interest among the girls in athletics.

Miss Gladys Hopkins of Antigo from the preparatory school for kindergarten teachers in the Minneapolis training school will assist Miss Irma Henze in the kindergarten.

In the department of manual training, Carl Enger takes the place filled last year by Ernest Barker. Mr. Enger is a graduate of the industrial arts

RAIL COMMISSION COMES HERE FOR CROSSING DATA

The Wisconsin Railroad commission has notified the city officials that the hearing, City of Appleton vs. Northwestern Railway company and Wisconsin Traction, Light, Heat and Power company, will be held at the city hall in Appleton at 10 a. m., Sept. 23. The hearing concerns the separation of grades at Second avenue crossing, where it is proposed to construct a new subway.

A hearing is to be held at the Wisconsin Railroad commission's office at Madison at two o'clock in the afternoon of the same day at which time the Wisconsin Telephone company will ask permission to increase its rates in the various cities of the state.

course, at the state normal school at Oshkosh with the class of '16. He was in the military service for a year. Last year he was in charge of the manual training at Augusta.

Miss Regina King of Fond du Lac has charge of the departmental English in the fifth ward.

Miss Alice Baldwin returned this fall as Mrs. Richard Engel.

In the June forecast arrangements were made to take care of the probable overflow in the fifth grade, without extra teachers. The program of the basal subjects is so arranged that a boy in the sixth grade who has passed all subjects but one may be promoted with his grade in all but one subject which he will repeat with the next class. This makes it possible for him to do extra work between the sixth and eighth grade to bring himself to standard in the hard subject without humiliation of failure.

The school buildings in the third district have been freshly decorated throughout. New tables have been supplied for the grammar room to replace the old styled desk.

For the first time the year's program has been made out as a district program instead of for a series of one room schools. This makes possible more freedom and flexibility for both teachers and pupils.

Community citizenship and physical culture will be emphasized this year in the fourth district. The playground work will be supervised by the teachers. Classes in agriculture have been added to the regular curriculum.

The milk lunches will be renewed in all probability, having been enthusiastically received by the pupils and parents.

The new principal, Frank Younger is an Appleton young man. The only other change in the teaching corps is that of Miss Adelaide Tollefson, who has charge of the domestic science and drawing. Miss Tollefson is a graduate of Stout Institute and has had two years of experience in the Beaver Dam High School.

The enrollment in the fourth district reached 250 Wednesday, practically the same as last year.

No teacher has been secured as yet for the fifth grade.

Ninety-nine per cent of the Hindoo women cannot read nor write.

BLACK ROT HITS CABBAGE FIELDS

Farm Expert Avers That Disease Is Making Its Appearance in County.

(By Paul O. Nyhus)

(Farm Agent for First National Bank) Examinations of numerous cabbage fields about Appleton during the past few days indicate a large amount of "stump rot," or "black rot." The extent of the disease in a field can easily be determined at this time or earlier, before the crop is harvested. By going out into the cabbage field, any number of dry leaves or green leaves having yellow spots can be noticed among the lower leaves of the plant.

If the veins of these discolored portions of the entire leaves are black, black rot or stump rot is present. By the veins of the leaves with a pocket knife, the veins running through the stem are also observed to be black. With many leaves, only one or two of the veins in the stem are black, while with others, all of the veins show black as compared with the green color of the stems not affected with the black rot. The disease grows down into the stump and root of the cabbage, and once in the stump of the cabbage, it is easily recognized by cabbage men.

The disease is caused by bacteria that are carried by the seed, live over in the soil, and are spread by stable manure from cows that have been fed diseased portions of the plant. Because of being carried by these three methods of seed, soil, and manure, it can be easily seen that to completely prevent the disease is difficult. Treating seed with corrosive sublimate kills all the germs that are on the seed. There is still, however, the infection which may come through the soil and manure. Crop rotation, as commonly practiced, is important, although there is evidence of black rot germs living through a four year rotation. Collecting and burning of all cabbage refuse is urged by disease specialists in fighting the disease effectively.

The large losses which are being suffered by numerous cabbage growers are due to the discouraging ravages of this disease are demanding more and more attention to control measures.

WISCONSIN UNIVERSITY LISTS SURTAX FIGURES

Madison.—How much various Wisconsin cities were taxed under the two new laws is indicated by tables just prepared by the municipal information bureau of the University of Wisconsin Extension division. The tables show the amount of the cash bonus surtax and the educational bonus surtax in each of the 122 Badger cities.

Among the eight cities of more than 10,000 population, the largest amounts levied under the two laws were: Milwaukee, \$2,507,208 cash bonus surtax and \$582,216 educational surtax; Kenosha, \$721,130 and \$144,264; Racine, \$307,317 and \$81,431; West Allis, \$220,332 and \$88,586; and Manitowish, \$220,577 and \$44,114. The smallest amounts levied were: Stevens Point, \$4,454 cash bonus surtax and \$1,318 educational surtax; Ashland, \$15,783 and \$3,157; Marinette, \$23,114 and \$4,623; Wausau, \$53,153 and \$10,427; and Fond du Lac, \$55,712 and \$11,142.

JEFFERSON COUNTY TO HAVE BIG NIGHT FAIR

Jefferson.—The prospects for the 1920 Jefferson county fair are very bright, indicating that this year will be the banner year for the association. The fair will open on Tuesday, Sept. 14, with greater exhibits, a more diversified program of entertainment and more novel features than have ever been offered Jefferson county fair visitors in any other year in its history.

One of the new features will be the holding of a night fair. On Tuesday, Wednesday and Thursday nights the full list of free attractions will be shown on a stage, and the evening program will conclude with an exhibition of fireworks by the Thearle-Duffield Fireworks Co. There are 49 separate and distinct numbers on the program each evening.

TO OUR PATRONS

Telephone expansion must continue to be ahead of local and national progress. As progress in our commercial, industrial and social life goes on, telephone service must be far enough advanced to receive and care for the increased demands.

During the war this was impossible. Manufacture of equipment was reduced and the reserve facilities and equipment was diverted almost entirely to war purposes.

Now that the war is ended, the Wisconsin Telephone Company plans to spend \$6,000,000 in new construction in the next two years and to restore its pre-war reserve of facilities and equipment.

Rates must be charged that will meet present costs, both in equipment and wages. The public must pay, but for its own benefit. Telephone service belongs to the public and it must be maintained, always, at the maximum of efficiency regardless of prevailing costs.

WOMEN MUST STATE AGE TO VOTE IN INDIANA

By United Press Licensed Wire
Indianapolis, Ind.—Women voting in Indiana primaries and elections, will have to give a definite age or their vote will be disqualified, according to a ruling made public today by the state board of election commissioners.

As a result many women who sought to keep over the age barrier by writing "twenty-one plus" after the age query, have been disqualified. These women will have to register again if they want to vote in the presidential election in November.

HEARING ON TELEPHONE RATES IS SEPTEMBER 23

The Chamber of Commerce has received notice from the Railroad Commission of Wisconsin that the Wisconsin Telephone company's hearing for increased rates will be held at the commission office in Madison September 23. The company recently petitioned the commission for higher rates for telephone service in Appleton.

Japan plans to spend enormous sums during the next few years in the construction of a deep sea harbor for Tokyo.

Washing Won't Rid Head Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, thus you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

THE MARINE RUG

French Wilton quality "Fine As Silk" now on display in our West Window.

With increasing amazement and delight, as the advancing steps of science have enabled them, men have been studying the glorious colorings so long locked in the treasure house beneath the surge of the seven seas.

As a result of this study and in the light of its inspiration, in recent years artists have attempted by brush and authors by word to record on canvas and parchment the marvelous impressions awakened by this marine magnificence.

The MARINE Rug represents the pioneer effort by makers of carpeting to portray by tinted tufts of yarn the wonders of this hitherto hidden realm of form and color.

Few rugs so richly reward an attentive study as does this—it is replete with surprises and possesses a charm and wealth of coloring that mark it as a leader even in the best of company.

(French Wilton Rugs are made of the very choicest worsted yarns and of enduring dyes, and are of a weave so fine that, more readily than any other domestic fabric, they lend themselves to the production of the most intricate patterns and delicate distinctions of color.)

MORE CHANGES IN BIG LEAGUE RACES

Brooklyn Passes Reds and Yanks Slip Down to Third Position.

(By L. R. Blumenthal) By United Press Leased Wire
New York.—Uncle Wiltbert Robinson's sylphlike figure again graced the top of the National league heap today, for the seventh time this season, while the diminutive Kid Gleason was back on second place in the American league by the simple process of losing Boston standing still as the Indians massacred the Yanks.
Any time a day passes without some switch in the standing of the first three teams in each circuit the fans feel cheated. They got their money worth yesterday.
Cincinnati lost the lead in the National because the Braves forgot themselves in the second game of a double-header and wounded the daylights out of three Red pitchers, getting an even break on the sacrifice hit Brooklyn drubbed the Caris and was one point ahead of the Reds. The Giants, who took a licking from the Cubs, were two games behind Cincinnati.
Because Babe Ruth got only one home run yesterday instead of eight, the Yanks lost to Cleveland 10 to 4 in the curtain-raiser of the crucial series.
The White Sox slipped from third to second position by Garrison—finishing

the Red Sox 6 to 5.
That put the Indians one full game ahead of Chicago with the latter half a game to the good of New York.
The fans had the same menu to choose from today.

36 ARE ENROLLED IN SCHOOL FOR TEACHERS

The Outagamie county training school at Kaukauna opened the school year with an attendance of thirty-six students, thirty-one of whom are seniors. The enrollment a year ago at this time was twenty-seven, seventeen of whom were seniors.
Miss Margaret Phillips of Kaukauna, first assistant, was given a year's leave of absence during vacation on account of her health and the vacancy has been filled by Miss Jennie Peacock of Argyle, Wis.
A meeting of the board was held at the school building Thursday, but only routine business was disposed of.

BENNY LEONARD SIGNS TO FIGHT PAL MORAN SOON

(By United Press Leased Wire)
Chicago.—Benny Leonard, light weight champion, and Pal Moran, of New York, have been signed for a bout in Chicago Sept. 18. It was announced here today.
Pete Herman, bantamweight champion, was here today to train for his match with Jack Sharkey in the East Chicago arena tomorrow.
The aggregate amount of money raised last year in various drives is estimated to be more than \$1,000,000.

DODGERS AGAIN TAKE N. L. LEAD

Robins Win Over St. Louis in Final Campaign Against Western Clubs.

Brooklyn.—Brooklyn on Thursday started its final campaign against the western clubs by defeating St. Louis, 4 to 2. Grimes outpitched Dean in a close battle. The Dodgers won in the last two innings. Both Smith and Hornsby twisted ankles at first base and were forced to retire.

Reds Break Even
Boston.—Cincinnati broke even in a doubleheader with Boston, winning the first game on Thursday by 6 to 4 and losing the second by 11 to 7. McQuinn was out of the game in the seventh inning of the second game for protesting a decision on a pitched ball. Manager Stallings also was ruled out of the bench. Boston out of the Cincinnati pitchers hard in the sixth and seventh innings, concentrating on his own. Rietzner, Rung and Brenton for nine runs.

Pirates 7, Phillies 6
Philadelphia.—Philadelphia's closing rush fell one run short of catching Pittsburgh on Thursday, the visitors winning, 7 to 6. Southworth's short fly, which fell safe in center, drove home the winning run in the ninth. Hamilton disposed of three batters in succession when he rescued Ponder in the ninth.

Alexander Beats Giants
New York.—Masterly pitching and a timely hit by Alexander enabled Chicago to defeat New York on Thursday, 3 to 2. The Giants failed to get a hit until the sixth inning, and then scored two runs in the seventh by punching three hits on a lucky double by King. Douglas also pitched well, but in the seventh a hit by Parker and Alexander's error on Deal's grounder put the Cubs in a position to win.

GIRLS' BASEBALL TEAMS DISBAND FOR SEASON

Baseball teams of the recreational department of the Appleton Woman's Club have disbanded for the season. The girls have worked hard under the direction of Miss Gurdens Chamberlain. Much is expected of this group next year. The material developed gives promise of a nucleus for a strong team next season.

Negro Batlers in Bad
Philadelphia.—Harry Wills and Sam McVey, negro heavyweight boxers, may be barred from fighting here as a result of their grand-standing in their bout Wednesday night. Their money is being withheld pending an investigation by the director of public safety.

CLEVELAND WINS FIRST OF SERIES

Three New York Pitchers Are Used Up in First Game of Crucial Contest.

Cleveland, O.—Cleveland won from New York on Thursday 10 to 4, driving Quinn and Mordridge from the slab, Collins being taken out because he hurt himself sliding into second base. Johnston's batting and a catch by Smith, robbing Ward of a triple with men on bases, were the features.
"Babe" Ruth made his forty-seventh home run drive over the right field wall in the third inning.

Senators Win 2
St. Louis.—Washington defeated St. Louis twice on Thursday, 6 to 5 and 2 to 1. The visitors won the first game with a rally in the twelfth, when they scored three runs on two singles, a base on balls, Severide's error and a double by Elbert. Shaw held the lo-cale to five hits in the second game, which Roth's home run decided in the ninth.

Rally Wins for Sox
Chicago.—Chicago staged an eighth inning rally on Thursday when Bush weakened and bunched enough hits behind three passes to tie the count and out over the winning run in the next inning when Felsch singled with the winning run.

STRONG MILITARY COURSE AT U. OF W.

Signal Unit Is Added to Madison's Big Military Establishment.

Madison.—The University of Wisconsin will open its doors on Sept. 22 with one of the most thorough military courses of any university in the country. With additional field artillery and the annexation of a signal unit, the military authorities at the university are planning no relaxation in training.
Maj. John S. Woods will be in charge again of the military department. Maj. Orlando Ward will have charge of the new artillery unit. The third ranking officer in the military organization at the university is Maj. John Kehler of the infantry department.

Artillery Is Popular
The new field artillery unit is expected to be popular with the students. The work in this branch, however, is open only to second year men. A large number of American, French, English and German models of artillery are on hand. In both artillery and infantry units, Maj. Woods has stated that the department will be able to equip and train as many as 1,500 men.
An additional opportunity will be given to university men in advanced military tactics. At present this work

is open to juniors or men who have had the military work carried during the freshmen and sophomore years. Legislation is pending in Washington, however, to grant service men credit in this work for their training, so they can carry on the university work in advanced military tactics for the last two years of their university work. Upon graduation they will be eligible to be examined for a commission in the reserve. This training carries with it the regular commutation of rations remuneration of the regular army, now about \$13 a month.

Farmer Has Terrible Experience

"I don't think anybody ever suffered more pain than I have. Twice I was operated for gall stones and a third operation was advised. A friend in Iowa wrote me how he was cured by taking Mayr's Wonderful Remedy. I took a bottle on his advice with good results and have also taken the full course. My pains are all gone and I feel I am permanently cured." It removes the catarrhal mucus from the intestinal tract, and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. "Druggists Everywhere." adv.

Skin Eruptions Cause Constant Torture

Disease Germs Must Be Eliminated From the Blood.
Eczema, tetter, boils, pimples, ulcers, irritations and scalp eruptions, as well as all other forms of skin diseases, come from a disordered condition of the blood. They must be cured through the blood, and this explains why local treatment fails so absolutely.

MEET TO ARRANGE
SCHOOL SURVEY

Special Committee Gets Organized and Will Start Task September 17.

The first step toward a possible school survey of Appleton was taken Wednesday morning when the survey committee met at the city hall. No attempt was made to discuss the details of the survey, as the meeting was called for the purpose of organization and getting the members acquainted with one another.

Chairman William H. Kress recommended the election of a vice-chairman to act in case he was obliged to be absent at any time. George H. Packard was elected to fill this office. The committee then voted to hold its next meeting Friday, September 17.

The committee consists of the four school board members, superintendent of schools, two members of the common council, two from the Trades and Labor council and two from the Woman's club.

Mr. Kress, Mr. Packard, W. H. Harkleman and John Harkleman and Miss Carrie E. Morgan represent the school board. Aldermen James A. Wood and H. A. Steadman represent the common council. John Hettlinger and H. W. Tuttle represent the chamber of commerce. Fred Bachman and Fred Appleworth represent the Trades and Labor council. Mrs. F. S. Bradford and Mrs. Ray Marston represent the Woman's club.

REDS WIN MINOR WORLD
SERIES GAMES FROM SOX

The Reds, captained by S. S. Mills, won the miniature world's championship baseball series from the White Sox Tuesday afternoon in Jones Park, 14 to 3. Walter Heideman who started on the mound for the White Sox, was knocked out of the box in the fourth inning and was replaced by Burton Manser. The Reds had their batting clothes on and slugged both pitchers' offerings all over the lot. The result of the game was never in much doubt. The White Sox took the first two games of the series of five games by close scores, only to fall victim to the Reds in the last three. The world series has been a part of the summer's activities of the Y. M. C. A. for two years and is watched with a greater degree of interest every year. The White Sox won two games, 11 to 10 and 10 to 10, the remainder three going to the Reds, 8 to 7, 16 to 11, and 14 to 5.

Bowling Tournament
Preparations are being completed for a bowling tournament next season on the Olympic alleys. Six teams are being organized to take part in sixty games.

MILWAUKEE MAN
GAINS 21 POUNDS

SAYS HE COULDN'T RETAIN EVEN GLASS OF WATER BEFORE HE BEGAN TAKING TANLAC

"About the best way I can describe the benefits I have received from Tanlac is to say that it has made a new man of me," declared Patrick Coyne, 32 Martin street, Milwaukee, Wis.

"For five years I had suffered from stomach trouble. My appetite was very poor, and I could hardly retain even a glass of water and would go for days without touching a bite to eat. There was a pain in the small of my back all the time and I suffered agony while bending over at my work. I had severe headaches nearly all the time and often became so dizzy I could hardly stand up. My nerves were in such bad shape I could never get a good night's sleep and always got up feeling exhausted.

"In a short while after starting on Tanlac I had a splendid appetite and could eat just anything I wanted without suffering afterwards. The pains have gone from my back and I can do my work as well as I ever could. I never have a headache, nervous or get dizzy, and my nerves are in good shape and I sleep all night without ever waking up till morning. I have entirely regained my lost strength, and feel so good all the time I can hardly realize I am the same person."

Tanlac is sold in Appleton by John E. Voigt, P. O. Brown, Shiovert Dr. J. M. Satter, Bear Creek, H. E. Abend, Dale, adv.

INVENTOR CONSIDERS
APPLETON FOR FACTORY

Information regarding the manufacturing possibilities of Appleton are sought by George H. Rugenhausen, Minor, N. D., in a letter addressed to the Chamber of Commerce.

Mr. Rugenhausen is an architect and engineer and has perfected a child's swing on which he has secured a patent. He desires to find a place to manufacture it where Norway pine, ash, rock elm and some birch and maple timber are available, as well as getting into a desirable city.

The swing accommodates four children and is operated by both hands and feet. Mr. Rugenhausen said that it was exhibited at the Minnesota state fair and was popular with children and parents. Secretary Corbett expects to give him the desired information.

Mr. and Mrs. I. D. Segal, Mr. and Mrs. George S. Levin are spending a week at Waukesha.

E. W. Theobald of Chicago, was a visitor in Appleton on Thursday.

Miss Gladys Bagg has returned from a visit in Iowa.

NO MORE ROOM IN
LAWRENCE HOMES

Every Room in College Dormitories Has Been Taken by Students.

Every dormitory at Lawrence College is filled to capacity and all students enrolling late have to content themselves with a position on the waiting list. Although the five women's dormitories have been re-arranged to accommodate more students than ever before, they are entirely inadequate to take care of the large enrollment.

Brook Hall, a dormitory for freshmen boys is filled up. This is a strange phenomenon, for in the past the boys have made a practice of appearing on the campus registration day without advance notice.

The usual tests in English for freshmen will be given at ten o'clock Monday morning, Sept. 15. Tuesday and Wednesday will be registration days, and regular classes will commence Thursday morning. Registration will take place in the reading rooms of Carnegie library.

The new professors have all been located in homes near Dr. Herbert C. Cooley, who succeeds Dr. L. B. Rodgers as head of the department of education is living at 490 Lawrence street.

The new professor of history, Dr. William S. Crowe has a flat in the Post building. Dr. W. F. Raney, who has charge of the department of romantic languages is located at 724 Lawrence street. The successor to W. L. Easley, Dr. Francis M. Ingles, head of the commerce department is living at 474 Duane street. Dr. Earl Warren, professor of physics has moved in to 490 Lawrence street. The successor to Dr. T. W. R. Crafer, Prof. F. A. Conrad is living in a flat in the Post building. The new coach, H. D. McChesney is located at 450 Washington street.

Fred Trospe of Ironwood, Mich., has been engaged to assist Dr. Lymer in the mathematics department.

Miss Anita Gochnaur, daughter of Mrs. Kate Gochnaur, 504 College Ave., will have charge of the woman's athletics and gymnasium classes. Miss Gochnaur will live at Smith house.

GETS HIGH MARKING
ON CHEESE EXHIBIT

A mark of 99.15 was awarded to Oswald Schneider, Appleton cheese manufacturer, on his fancy brick cheese at the state fair at Milwaukee. This is one of the highest marks ever scored. Mr. Schneider has captured a number of prizes in recent years.

William Siebold and Miss Malita Siebold of Plymouth are guests of Dr. and Mrs. H. K. Pratt.

The Initial Showing of Autumn Costumes Continues Through Tomorrow Evening

MILLINERY Individualized for Every Need

Correct Millinery gives to your new apparel the finishing touch it deserves and to the old a lively touch of renewed youth.

Our Millinery modes now include models for the street, sports, afternoon and evening that are indeed gratifying from the standpoint of style, quality and service.

Fabric lends itself well to the popular draped models now in vogue. Embroidery, brocade, ribbon, beaver, coque, glycerined ostrich and jeweled ornaments embellish most successfully this autumn millinery.

Priced at \$6.50, \$7.50, \$8.00, \$10.00 upward to \$35.00.

Of Exceeding Importance A Blouse May Be

Exquisite in color, in style and every fine detail of execution are the costume blouses for wear with the tailored suit or separate skirt. Ranging from the simple to the elaborate are blouses of silken fabrics in plain and figured effects that are charming in their success at creating a complete costume out of the suit.

Blouses of various styles following the long Russian lines, when worn with slim skirts form very lovely afternoon costumes in which much variety is possible.

You are sure to be interested in seeing these blouses.

Skirts of Gay Plaids, Checks and Stripes

Feminine thoughts turn with more pleasure than was once their wont to the separate skirt. It merits consideration.

Smart plaids, stripes and checks continue in the way of plaids—knife plaited, however, is the autumn edict. One finds variations in the arrangement of plaids, now in groups, now stitched down for figures of larger proportions, but always interesting.

Skirts of this kind are again favored for wear with any type of coat. Choose your skirt now and enjoy wearing it these autumn days.

Corsets to Perfect Your Fall Costume

A thing of beauty is the well corseted figure—a mark of good grooming which no woman who regards her wardrobe or her appearance will neglect.

New costumes should be fitted over new corsets. The assortments are unusually complete and comprehensive, including special models for every type of feminine figure.

Corsetieres of skill are always at your service in our fourth floor corset department, to assist you in making your selection one of comfort and satisfaction.
